(The date will be announced later)

Scarborough Convention Centre, 20 Torham Place, Toronto, ON M1X 0B3

RSVP 905 201 9547

Dress: semi-formal

In Our Translated World, jointly published by the Toronto South Asian Review (TSAR) and the Tamil Literary Garden (TLG), brings together, for the first time, in bilingual format, a translation of 78 poems written in Tamil, from around the world where Tamils, over a period of several decades, have settled. These poems offer an exciting and insightful representation of contemporary global Tamil experience.
